DRAFT PROGRAMME - DAY 1

9.00 - 9.30

WELCOME AND INTRODUCTIONS

George Sourvinos, Local Organiser - ESCV
Pamela Vallely, President ESCV
Heli Harvala, ENPEN-ESCV
Thea Kølsten Fischer – ENPEN

SESSION I – THE CURRENT STATE OF PLAY

9.30 - 10.00

Eugene Saxentoff, WHO Europe: Clinical and supplementary enterovirus surveillance in Europe in the support of the Global Polio Eradication Initiative

10.00 - 10.15

Javier Martin, WHO Global Reference Laboratory: Importance of wastewater surveillance in identification of poliovirus in England

10.15 - 10.30

Thea Kølsten Fischer, Denmark: How ENPEN initiatives can supplement polio eradication

COFFEE BREAK (30 MINS)

SESSION II – THE FUTURE OF ENTEROVIRUS SURVEILLANCE

11.00 - 11.15

Sten de Schrijver, the Netherlands: Circulation of enteroviruses in Europe, 2015-2023

11.15 - 11.30

Heli Harvala, England: The ENPEN-WHO enterovirus surveillance study: what, when and why

11.30 - 12.00

Caroline Klint Johannesen, Denmark: Experience from hospital-based surveillance study

12.00 – 12.15

Jelte Helfferich, the Netherlands: AFM surveillance (on-line)

12.15 - 13.00

Discussion: properties and requirements for future enterovirus surveillance

LUNCH BREAK (60 MINS)

SESSION III – TREATMENT OF ENTEROVIRUS INFECTIONS

14.00 - 14.30

Liam Reilly, Scotland: Current options for enterovirus treatment

14.30 - 14.45

Talk on clinical perspective (speaker to be confirmed)

14.45- 15.00

Offered talk on antivirals from lab or clinical perspective (8 + 7 mins)

15.00 - 15.45

Discussions: ENPEN plans for treatment database and guideline

16.00 - 23.00

CORFU TOUR AND DINNER
